## Why Teams

- Collaboration and engagement is the raison d'être of membership organisations and charities
- A powerful tool that is useful to members
- Integration v. interoperability
- Cool technology that practically supports digital transformation

Okay, I admit it...

*My name is Jenni,  
and I am a Teams  
fan...*

## Teams has...

- Reduced the number of emails I receive
- Helped make it easier to share and save files (SharePoint integration... whoop!)
- Made it easier to track down colleagues
- Made it easier to work on the road
- Improved my general wellbeing (lest I speak ill of the dead...)

# Quick wins for membership organisations and charities
